

## The UK leading specialist supplier of retail terminal solutions to corporate businesses

### We understand business

We specialise in tailored cost-cutting solutions to large corporate enterprises which utilise 80 or more retail terminals with a turnover above £5 million on credit and debit card transactions.

By understanding the specific requirements of our corporate clients, we can provide significant cost reductions on terminal rental and/or card processing costs compared to current arrangements.

## Over the term of your contract we could save you at least 50%!

### How Salamander Corporate could benefit you:

- Clear, fixed contract period
- Guaranteed fixed costs for terminals over rental period
- 7-days-a-week dedicated help desk and maintenance service included

### The latest technology

We'll work with you to upgrade your existing technology to the very latest available to meet the demands of your business, including portable, mobile and countertop systems. Our range of terminals offers fast, secure and reliable transaction processing whilst conforming to today's most stringent industry standards.
